TREES HONORING WAR DEAD WILL BE GIFT OF HIGH SCHOOL STUDENT BODY

Albany's Memorial Lane, dedicated to local heroes of World War II, moved one step nearer reality this week with the announcement that students at Albany High School will sponsor trees to be planted on the lane.

At a recent meeting of Student Body officers it was decided to purchase the trees, at a cost of approximately \$170, to be planted on Key Route Blvd. in front of the high school. Each tree will be dedicated to a former Albany High School student who died in the service.

Cornell Children To Stage Annual Christmas Play

Students of Cornell School will present their annual Christmas program for parents on Thursday, Dec. 16 at 7:30 p. m. This will be a regular meeting of the Cornell P. T. A. held jointly with the Cornell Dads Club.

The children will present an operetta entitled "Where Was Santa?" Music will be furnished by the Cornell Orchestra under the direction of Mrs. Robert Bruce and Christmas carols will be sung by the Cornell Glee Club under the direction of Mrs. Blanche Hartley. The Glee Club will appear for the first time in the robes presented to the school by the P.T.A. and made by members of that organization.

Mrs. Hartley is in charge of production, assisted by the following teachers: Carolers, Miss Anderson; Junior Chorus, Miss Greer; Crooked Man's Dance, Miss Greer; Scenery and Lighting, Mrs. Lowe and Miss Sconberg; Costumes, Miss Anderson; Miss Stockle, Mrs. Sullivan and Mrs. Constantine; Make-up, Mrs. Kiburn; Dramatics, Mrs. Evernden; Accompanist, Miss Sconberg.

MYF To Show Film

The Methodist Youth Fellowship will sponsor a film, "Beyond Our Own", to be shown at the Albany Community Church, Marin and Stannage Aves., Sunday evening, Dec. 12, starting at 8 p.m. This is said to be one of the finest religious films ever produced.

A pot luck dinner at 6:30 will precede the showing of the film. The public is invited.

ALANNA KARPO
Albany Girl Authors Prize Winning Essay

A cruise around San Francisco Bay aboard the destroyer USS Thomas Nickel next Saturday and a visit to the Navy Line School at Monterey will be the reward of Alanna Karpo of Albany and students from neighboring high schools as winners of the Bay Area Navy Day essay contest.

Approximately 72 students will be the guests of the Navy for awards and presentation ceremonies, luncheon on Treasure Island and the cruise.

Alanna is the daughter of Mrs. Fern Karpo, 946 Madison Ave., and the late Charles "Red" Karpo, former Oakland newspaper man. She is editor of the Albany High "Newsette" and plans to enter the University of California next year to study journalism and advertising.

Albany Sorooptimist News By BEA RAYMOND

The Sorooptimist Club of Albany held their regular meeting December 8 and was called to order by the President, May Ellis Olson. While it was not a regular business meeting, very necessary business was transacted relative to the Christmas party we are planning for handicapped children of Albany.

A couple of timely songs were led by Claire McGaw accompanied by Janet O'Keefe at the piano. Kay Fritz had as her guest Mrs. Vargas of Berkeley. Louise White introduced Gwendolyn Harp, a business woman of Susanville, Calif.

June McMahon, program chairman, for the day being unable to attend, turned her program over to the permanent chairman, Nell Moore, who introduced Alvin S. Hamblly of the East Bay Chapter, National Safety Council. He spoke for the Green Cross on the subject of "safety", not only traffic safety but safety in the home or anywhere an accident could occur.

Mrs. Hamblly had a series of moving pictures to help bring to our attention the needless sacrifice of human lives. The pictures, we must say, were gruesome but if one of the 34 people listening is a little more careful when they are behind the wheel of an automobile and by that care save one life, his time was well spent. Green Cross membership in the East Bay Area is now 1800. It is too bad that it does not include every family in the area.

We noticed a harried and hurried air emanating from each member during the meeting and in leaving the room we wondered why. Then we remembered there are 14 shopping days before Christmas and we suppose it must be the spirit of Old St. Nick getting into them.

Auxiliary Executive Board Entertained

On Tuesday evening, Dec. 7, Mrs. Laura Roderick was hostess to the members of the Executive Board of Albany Unit 292 at her newly established home at 983 33rd St., Richmond.

At the conclusion of the business session, the guests were served refreshments. Those present were President Miss Marjorie Stott, and Mesdames Zella Lindh, Margaret Hanahan, Josephine Foley, Edna Ludwig, Pearl Heans, Marion Hill, Jean Wollaston and Esther Knox.

Call for Bids on HS Swimming Pool To Be Ready Soon

Dr. Paul C. Bryan, superintendent of Albany schools, this week announced that a call for bids on the construction of the swimming pool at Albany High School is expected to be issued late in January or early February of next year.

Plans for the pool, to be located on high school property at Pomona Ave. and Thousand Oaks Blvd., have been approved by the state board of architects and bids will be asked as soon as the Board of Education has received and approved all bids for the new Cornell School classrooms.

Cost of the swimming pool is estimated at \$240,000. Funds were made available for this project with the passage of the school bond issue in 1946.

"The question has been raised," said Dr. Bryan, "as to whether or not passage of the proposed \$69,000 library bond issue will hold up construction of the swimming pool. The answer is definitely no. All funds for school modernization and construction were authorized by the 1946 bond issue. If there had been any question of the library bond issue interfering with school improvements, the Board of Education would not have endorsed it as we did."

'Clearance Calendar' Will Avoid Conflict In Club Activities

Committee chairmen of church, civic or fraternal organizations who have set a date for certain big events and then find they are in conflict with plans of other groups will avoid the plan of members of the Albany Fire Department to conduct a "clearance calendar."

Fireman Paul Hogue says the calendar will be made out two or three months in advance and groups planning parties or other affairs may check the calendar to obtain a date on which they will not be in competition with other groups.

Organization secretaries wishing to avail themselves of this service or place pending events on the calendar are advised to contact Hogue at L.A. 5-2493.

Nativity Will Be Theme of Program At Marin School

Students at Marin School will see "The Story of the Nativity" presented in story and song by student body players in the school auditorium on Wednesday morning, Dec. 15. The program will be presented again on Wednesday afternoon at 2 p. m. and Thursday, Dec. 16 at 8 p. m. for parents and friends.

Mrs. Lois Bunyard will direct the Glee Club of 125 boys and girls. Solo parts will be sung by Harry Shore as Joseph, Dick Coleman as the Inn Keeper and Fay Cann as Mary. Laurie McGaw will play a trumpet solo.

The program will be divided into the following four scenes: Scene I, The Inn Keepers, directed by Mrs. Jeannette Etcheogin with Paul Janke as student narrator; Scene II, Angel and Shepherds, directed by Miss Clair Chapnot, Allen Dunkelberger as student narrator; Scene III, Villagers and Children, directed by Mrs. Margaret Hopps, with Donald Pihl, Jacqueline Saxton and Madeline Finney as student narrators; Scene IV, Three Kings, directed by Miss Edythe Lemmon, Ernest Schorsch as student narrator.

Zoning Consultant to Address Comm. Ass'n.

"Inter-City Planning" will be the subject for the regular monthly meeting of the Albany Community Association on Friday, Dec. 10 at 8 p. m. in the Cornell School cafeteria. Julian W. Tarrant, zoning consultant, will be the principal speaker.

A program for neighborhood representation in the Association through 12 areas in Albany will be initiated. Reports on the leadership training course and the Codornices library committee will be received.

There are 4,004,298 motor vehicles registered in California, according to the latest available figures, reports the National Automobile Club.

Plans To Build Bowling Alley Given Approval

The Park Planning and Zoning Commission Monday night approved plans of the Albany Recreation Corporation for a \$300,000 bowling alley and recreation center to be built at the corner of San Pablo Ave. and Clay St.

The plans call for a bowling alley, billiard room, soda fountain and lunch counter and lounge. An all night pharmacy would be built at the corner.

Frank B. Lacy, president of the corporation, requested the commission to rezone from second residential to commercial that portion of the property which extends along Adams Street. It is planned to use this part of the property for a parking lot. The property facing on San Pablo is already zoned for commercial building.

Rezoning of the property was approved by the commission in a four-to-one vote. William Garren cast the dissenting vote. He said that if the Adams St. property were rezoned any type of building permitted in a commercial zone could later be constructed on the property and affected property owners might not have understood this when they gave oral consent to the proposal.

If the rezoning of Adams Street is approved by the City Council when they study the matter on December 27, construction will start February 15, Lacy said. The building is expected to be completed by August 1, 1949.

The new center, to be named the Albany Bowl, will include 16 bowling alleys, 12 billiard tables and a large television screen in the lounge. Some 40 persons are expected to be employed in the new center.

A second story, to house a modern lodge room and banquet hall is under consideration.

In addition to Lacy, officers of the new enterprise are Max Etingoff, vice-president, and William B. Lacy, secretary-treasurer.

Legion Auxiliary Xmas Party Set For Monday Night

Monday evening, Dec. 13 at 7 o'clock the Albany Veterans' Memorial Building will be the scene of a gala Children's Christmas party given by Albany Unit 292, American Legion Auxiliary.

All members and friends of the Unit and Post 292 are invited to bring their children and grandchildren to see the beautifully decorated Christmas tree. Santa Claus will be much in evidence and will have a gift for each child.

A program of music and moving pictures appropriate for the occasion has been prepared by the committee consisting of Mrs. Dorothy Bradlee, Mrs. Edna Ludwig, Mrs. Laura Roderick and Shirley Benjamin. The Unit will dispense with its regular meeting that night. However, the membership chairman, Mrs. Jean Wollaston will be present and eager to collect dues from members.

A concerted effort is being put forth to collect all dues by Dec. 17 in order to win a membership contest now going on between Alameda Unit and Albany Unit.

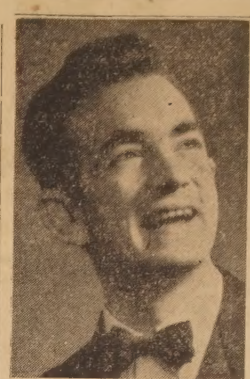

New Girl Scout Troop Formed at Madeline School

In a candlelight ceremony held recently at the St. Mary Magdalene Church Hall, girls in the fifth grade at the School of the Madeline were inducted as members of Girl Scout Troop 107. Girls of Troop 39 took part in the inducture for the new troop. Troop 107 is under the leadership of Mrs. J. Wangan, and Mrs. F. Holub.

Those receiving their tenderfoot pins were Bernadette Coakley, Diane Hoyman, Helene Holub, Kathleen Jewel, Joane Marchiano, Mary Patsy Moore, Sharon Nagy, Kathleen Roberts, Diane Rush, Barbara Sutter, Jacqueline Wangan, Dorothy Zerga and Monica Smidt.

Girls in Troop 39 who received pins included Carolann Rossi, Adelaide Rague, Jean Murphy and Diane Staley.

Other girls taking part in the program and the folk dancing that

Angelo Rodriguez, son of Mrs. A. Rodriguez, 1004 Ventura Ave., and former Student Body President of Albany High School, was guest singer on the "Breakfast in the Alley" program broadcast over radio station KGO Sunday, Dec. 5 at 11:30 a. m.

Chamber of Commerce Directors Will Name Electors of Officers

The Albany Chamber of Commerce Board of Directors will meet on Tuesday, Dec. 14 to elect six new directors on the board. These directors will in turn elect the officers to guide the group throughout 1949.

According to Mrs. Beatrice Williams, secretary of the organization, a membership drive is scheduled to start in the first week of January. One day in January will be designated as "Chamber of Commerce Membership Day."

On Friday and Saturday of last week Mrs. Williams attended a State Chamber of Commerce meeting held in the Palace Hotel, San Francisco.

Five Albany Boys Named On City, County Ball Team

Five boys from Albany have been chosen as the best players from city and county teams playing in the recently completed American Legion baseball league. These boys are now playing in the Maxwell League, a series of post-season games being played on diamonds throughout the country.

Representing this city are the following: Richard Jones, 12, sponsored by the Fire Department; Robert Smith, 16, Albany Rotary Club; John Ball, 15, Elsie-Olson Mortuary; Robert McWhister, 15, Police Department; Jack Klein, 15, Villa's Market.

In addition to prizes given in the Maxwell League, the local boy who turns in the best performance will be awarded a \$14.50 baseball glove from the Lucky Sports Store on Solano Ave. All five players will be given engraved baseballs donated by Jim Sartain, past commander of Albany Post 292, American Legion.

The second game in the Maxwell League will be played at Albany's Memorial Park on Sunday, Dec. 12 at 2:30 p. m.

Fred Lanters and Russell Bradlee serve as two of the coaches in the Maxwell League.

WEST BERKELEY WOMEN

The West Berkeley Women's Club will meet for its annual Christmas party Wednesday, Dec. 15, at 1 p. m. at the Y.M.C.A., 10th and University Aves. Mrs. Doris Ramsay, president, will be hostess. There will be the usual exchange of gifts.

Followed were Michele Bernard, Diane Cross, Michela Conley, Nancy Fraser and Joan Grady of Troop 107. Representing Troop 39 were Peggy Carmichael, Phyllis Session, Elizabeth Emmenegger, Cassie Hinkle, Marilyn McCusker, Gretchen Kohler, Diane Egger, Beverly Tripe, Renee Gendron and Catherine McElroy.

HIGH SCHOOL STUDENTS AWARDED PRIZES FOR BOND ISSUE ESSAYS

A prize of \$15 was awarded to Albany High School student Gerald O'Gara for writing the best essay on the subject, "Why All Voters in Albany Should Support the Library Bond Issue." The contest, sponsored by the Library Board in conjunction with the \$69,000 library bond issue to be voted on Tuesday, Dec. 14, was open to all students attending Albany and St. Mary's high schools and whose homes are within the corporate limits of Albany. Prize money was donated by members of the library board.

Richard Viets of 931 Adams St. won \$10 as second prize and Myrl Coltrin, 921 Carmel Ave., placed third to win \$5. Both are students at Albany High.

Honorable mention went to Melvin Brunetti, Barbara Senes, Jack Darrah, and Patricia Gowen of Albany High and Errol Pach of St. Mary's High.

Essays were judged by a committee of five women prominent in Parent-Teacher Associations and pre-school. They included: Mesdames I. E. Green, Albany High P.T.A.; William McGimpsey, MacGregor P.T.A.; Earl G. Sorensen, Cornell P.T.A.; C. R. Quick, Marin P.T.A. and John Clark, Pre-School Mothers' Club.

Feel like playing Santa Claus? Then pick up your phone and dial L.A. 5-6677 and ask for Mrs. Ryan. She is in charge of collecting broken and discarded toys to be repaired for the children in Codornices Village who otherwise will find their stockings empty come Christmas morn.

Added to the impressive list of offices he has held or now holds is the appointment of Fire Chief Fred Pimental to the nominating committee of the California Fire Chief's Association.

Sharon Campbell who has an altar date on Jan. 16 with Herbert Schultz was honored at a shower in her home on Dec. 7. She is the daughter of Albany's Ford-selling Curt Campbell.

Wonder how many Albany teachers knew that the Mrs. Muriel Willite, soprano, featured on the musical portion of the Alameda County Teachers Institute in Oakland on Nov. 24 is a former Albany. She attended schools here some years back and her parents, Mr. and Mrs. Frank Cobine still make their home here.

Memo to Police Inspector Art Smith at home with a badly sprained back: Hope you are up and about again when you read this.

That television has become more than a radio comic's wisecrack is proved with the opening this week of a store at 1331 Solano Ave., devoted exclusively to the sale of television sets.

Good to see Manuel Reckas back at Reckas Brothers Appliance Store after a quick cure for tuberculosis at the Veterans Hospital in Oakland. All five of the Reckas brothers are justly proud of their Christmas decorations this year which promise to set a lead for others to follow.

The Hanssens were married on Dec. 14, 1898 at Pembina, North Dakota. Both are 75 years of age. They have owned and operated a grocery store at the corner of Kains and Washington Aves. for the past 11 years.

BIRTHDAY LUNCHEON
Mrs. Sophie Ottewill was hostess in her home, 833 Stannage Ave., on Dec. 1 at a birthday luncheon honoring Vivian Stedinger of Oakland. Mrs. Stedinger's mother-in-law, Mrs. Hazelett Stedinger of Walnut Creek was co-hostess.

Among the guests present were Mrs. Varie Willes of Oakland, Eddie Olson and Bud Stedinger. A game of dutch whist concluded the pleasant afternoon.

N.D.G.W. WHIST
Albany Parlor No. 260, Native Daughters of the Golden West, will hold a Bath towel Whist Friday night, Dec. 10, at Macabee Temple, 985 Kains Ave., starting at 8:30. Refreshments will be served.

Remember—Gov. Bonds are one of the most acceptable Christmas presents.

Tirol Now Displaying Many Ideas For Busy Christmas Shoppers

Again this year, as in seasons past, the Tirol Company at 1870 Solano Ave. has another wonderful display of toys and home appliances available to their old friends and customers.

According to Dave Lewis, manager of the Tirol Co., the toys are of superior quality this year and priced very reasonably. A complete line of Schwinn bicycles for boys and girls of all ages, many model toys for small children, and kitchen and other household items for mother are among the fine gifts being shown.

Lewis invites all Albany shoppers to come into Tirol and investigate their convenient thirty day budget plan.

Piano Recital Planned For Sunday Afternoon

Mrs. Mildred Stokes, local piano teacher, will present Edith Pearl Rodgers in a recital Sunday afternoon, Dec. 12 at 2:30 p.m. in Miss Rodgers' home, 814 Adams St.

Edith is the daughter of Mr. and Mrs. Henry Rodgers. She is an Albany High School student and has completed two years study with Mrs. Stokes. In that time she has progressed from beginner to advanced work.

Julia Ann Stokes, dancer, will assist with the program. Friends and relatives are invited to attend.

Never a dull moment.

"I heard that Sue is married, do you know if it's true?"
"No, I wonder what her new name is."

Brides-to-be, you owe it to your friends to tell them the happy news first-hand; don't let them "wonder what your name is now!" And they want to know when and where the event took place.

The easy, quick and correct way is by sending Wedding Announcements; all the newest forms and styles are on display here... a size for every taste and every pocketbook.

Before you drive to SACRAMENTO read this:

If you enjoy bucking the traffic to Sacramento, that's one thing.

If you don't, we'd like to present our morning train, the *Senator*.

Most local trains are all coaches. The *Senator* has more than coaches.

On the *Senator* you can relax in a comfortable lounge car or club car for no extra fare. There's a diner, too, so you can breakfast on the train.

The *Senator* bowls right along, with very few stops. You leave Berkeley at 8:01 a.m., arriving Sacramento at 9:50 a.m.

That's only an hour and 49 minutes to Sacramento. Can you drive it that fast?

After spending the whole day in Sacramento, you can return on the same train, leaving at 5:20 p.m. and arriving Berkeley 7:03 p.m. Have a good dinner on the train.

Want to go in the evening?

If you prefer to go in the evening, our fast *El Dorado* leaves Berkeley at 6:13 p.m., arriving Sacramento 8:00 p.m.—only an hour and 47 minutes. It carries a club car and diner for your convenience.

Returning, the *El Dorado* leaves Sacramento at 7:20 a.m., arrives Berkeley 9:05 a.m.

If these trains to Sacramento don't fit your plans, we have several others in each direction daily.

RESOLUTION

WHEREAS, over 2600 Alameda County students are now enrolled in junior colleges outside the East Bay area, and

WHEREAS, many Albany and Alameda County students fail to continue their education above high school because of the comparative absence of junior college facilities in Alameda County, and

WHEREAS, the junior college is such a part of the public school system of California as is the elementary or the high school, and

WHEREAS, all of the youth of Alameda County are entitled to the junior college opportunities,

Alameda County is hereby resolved to establish and maintain a junior college with an adequate program without an undue burden on the taxpayers, and

WHEREAS, the proposed County Junior College District would distribute the cost of establishing and maintaining one or more junior colleges equally to all areas of the County, and

WHEREAS, Alameda County cannot afford to deny thousands of youth public junior college opportunities provided elsewhere in California,

NOW, THEREFORE BE IT RESOLVED that the Board of Education of the Albany Unified School District endorses the proposal to establish an Alameda County Junior College District, and

FURTHERMORE recommends that all parents examine the merits of the proposal and vote at the election to be held on December 14, 1948.

Why Albany Needs a Library

By GERALD O'GARRA
(Editor's note: This essay won first prize in the contest sponsored by the Library Board in conjunction with the coming bond issue election.)

Today, Albany is 22,000 strong with an ever growing number of businesses, yet there is a flaw in our city, the lack of proper library facilities. Since Andrew Carnegie revolutionized the use of books in the United States, libraries have been considered a regular part of our nation.

So with this thought in mind, let us look at our city's library program. A present our libraries do not have sufficient books and periodicals because of lack of space. A new library would have room enough for many more books. Also a new library would stay open longer hours and on Saturdays, making it possible for students to make more use of its facilities.

Albany now pays a rental of \$125 a month for one small library. Another of our libraries is located on the second floor of a building making it inconvenient for some people. The cost to the home owner would be nominal compared to the benefits we all would receive with an adequate, centrally located building.

Let's go all out on this bond issue on December 14 and build Albany the library our city deserves. Go forward and not backward in our educational and recreational program.

You cannot dream yourself into a character, you must hammer and forge one for yourself.

Homemaking Today

Bananas are one of America's favorite fruits to eat out of hand or in desserts, but have you tried them cooked as a vegetable or as the main dish? Cooking brings out a delightful, different flavor that your family may enjoy. Bananas for cooking should be all yellow or have only a slightly green tip.

For baking or broiling bananas, peel them, then brush with melted butter or margarine and sprinkle with salt. In baking, place them in a pan and bake 15 to 18 minutes in an oven preheated to 375° F. In broiling, allow 6 to 10 minutes until the bananas are brown and tender. Serve them very hot as a vegetable with lamb chops, hamburger steaks, sausage or ham.

BANANA SCALLOPS

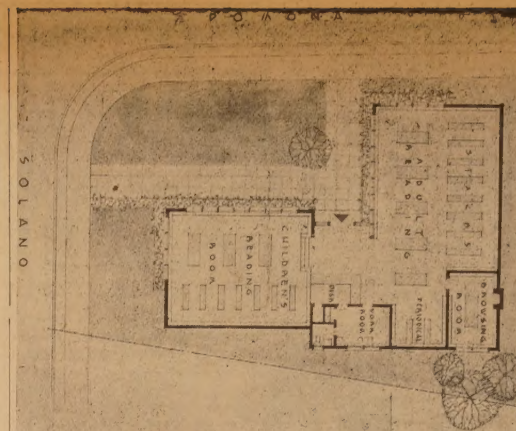

1 egg
1 1/2 teaspoon salt
6 bananas
3/4 cup fine corn flake, bread or cracker crumbs

Beat the egg and salt together. Peel the bananas and cut into pieces 3/4 to 1 inch long. Dip into egg; then drain 3 or 4 minutes. Roll in crumbs and fry in hot deep fat (375° F.) for 1 1/2 to 2 minutes, or until scallops are brown and tender. Drain on absorbent paper or rack. Serve very hot. Makes 6 servings. If desired, the scallops can be fried in shallow fat, cooking until brown and tender.

HAM BANANA ROLLS WITH CHEESE SAUCE

6 thin slices boiled ham
Prepared mustard
6 firm bananas

Spread each slice of ham lightly with mustard and wrap a slice

This is the architect's drawing of the floor plan of the proposed Albany Library. A bond issue to finance construction of the building will be voted on at a special election Tuesday, Dec. 14.

Resolution

WHEREAS, community libraries furnish important educational and recreational opportunities for the youth and adults of a community, and

WHEREAS, the Albany libraries are inadequately housed in rented quarters, have insufficient space for books, and provide no reading rooms for children, and

WHEREAS, the construction of a permanent, centrally located building will correct existing weaknesses in the City's library system and will enable the children and adults of the community to enjoy greatly in-

creased benefits from improved library facilities, and

WHEREAS, a bond issue will enable immediate construction while permitting payment over a period of years by the people who use the library,

NOW, THEREFORE, BE IT RESOLVED that the Board of Education of the Albany Unified School District, in recognition of the educational and recreational importance of adequate library facilities, endorses the proposed bond issue and recommends a favorable vote by the residents of Albany on December 14, 1948.

ADOPTED November 23, 1948.

ROBERT G. DENNIS.

ON THE BOND ISSUE

COMMUNICATED

The Albany Library Trustees, Albany City Hall, 1045 Solano Avenue, Albany, California.

Ladies and Gentlemen:

You are to be commended for presenting to the citizens of Albany an opportunity to provide for themselves a modern library building.

Public library service is now available in three locations, none of which is adequate. Rooms which were never designed for library functions can provide only makeshift accommodations. Long stairways, insufficient book-shelves, and lack of space for storage and meeting rooms are serious handicaps to readers and employees.

The American Library Association, which is the accepted standard-setting agency, states that a

community library should reach an area within a radius of approximately a mile and a half. How can there be justification for operating three branch libraries in the small area occupied by the city of Albany? Are there three high schools? or three city halls? or three police or fire stations?

City and county financial appropriations for libraries are not generous. Therefore, the wisdom of extending those appropriations to best advantage is evident.

Funds should be concentrated on one strong, well-equipped library open to the public six days per week. Readers should have access to their library more than the present meager 25 hours per week. Appropriations now dispersed over several weaker units are unavoidably wasteful and cannot furnish the type of service needed.

The total number of books stocked in all three branches is 13,624. If the standard of one book per capita is to be reached, there should be 18,000 books for a population of 18,000. The County Library will supply additional books when space is available.

Especially to be deplored are the inadequate facilities for children and teen-agers. This residential city where people seek for their children desirable educational and recreational opportunities, appears to be un mindful of the value of a modern children's library.

A child comes to the library for the first time. The men and women of Albany rests the obligation to vote on December 14 for an attractive, efficient building which will permit their library to fulfill its role in the life of the community.

With all good wishes to you and to the people of Albany for a successful outcome of your library bond election.

Sincerely yours,
DOROTHY F. ROBERTS,
County Librarian.

Editor Albany Times:

On November 8, 1948 the Albany City Council approved a special election to be held on December 14, for a library bond issue in the amount of \$69,000 for the erection of a library building.

It is my belief that the Albany taxpayer has reached the "saturation point" and is unable to assume further obligations. It would be wise if our City Council would heed the advice given Congress by Marriner Eccles, of the Federal Reserve, He told Congress "that to help curb inflation, all federal, state and city spending should be reduced to the minimum; that any new civic projects should be postponed to ease the 'bust' which he thinks is inevitable. This special advice seems particularly appropriate for Albany, whose city administration seems to have embarked on a wild spending spree. (The city's 1948-1949 budget with \$361,164 is the highest budget in the history of Albany, with an increase of \$44,795 over last year's budget.)

If this continues, it will be a luxury to own a home, and many of our homes will probably be sold for non-payment of taxes. Remember, if a depression comes and your income is cut, there will still be the excessive tax payments on your

Dated: November 10, 1948.

ZELMA SALLY NELSON.

C. N. LAYERS.

Attorney for Administratrix.

1057 Solano Avenue, Albany, California.

Pub. Nov. 15, 26; Dec. 3, 10, 17, 1948.

Property for years and years to come. A property owner, already overtaxed, has to pay his tax whether he has an income or not, otherwise he loses his home. Since we have waited all these years for a new library, why not wait a little longer? Why build when the costs of labor, building materials and real estate are at the highest in history?

But let's look at the library budget as approved by the City Council for the year 1948-1949:

2 librarians, each working 30 hours per week	\$4,200
Janitor service for both libraries located in the City Hall and on Santa Fe and Solano Ave.	300
Water, light and heat	55
Magazines for both libraries	127
Rent for library located on Santa Fe and Solano Ave.	1,500
Surplus for new library building	820
Total	\$7,002

The Albany Library Board, appointed by the Albany City Council, in an appeal for voter support pointed out the following advantages of a centrally located library: (The future home of the library would be located at Solano and Pomona Ave.)

(1) That considerable saving would be realized in lighting, heating and janitor service because there would be no duplication;

(2) That owing to the savings made, a telephone could be installed for the convenience of the citizens.

Now, if you look at the budget you will find that the janitor service for the whole year for both libraries amounts to \$300 or \$25 per month. Do you believe we could hire anyone to clean a \$69,000 building for less than \$25 per month? The same goes for water, heat and light for which we are paying \$55 yearly, that is less than \$4.60 per month. Do you believe we can furnish water, light and heat for a \$69,000 building for less than \$4.60 per month?

And as far as the telephone service is concerned, the present two libraries like any other Albany city department could have this for approximately \$9 per month for both libraries, an expense we certainly can afford. In order to have telephones installed at the two libraries we do not need to pass a \$69,000 bond issue and burden our homes for years and years to come.

While I believe that Albany should have good library accommodations, I doubt whether the proposed site for the new library building is even convenient to the citizens who patronize now the library located in the City Hall.

ALBANY TIMES

It is my sincere belief that at present we in Albany can not afford such a costly project. Should you agree with me, I would appreciate it, if you in turn would contact your friends and urge them to vote "no" on December 14, 1948 on the library bond issue.

Very truly yours,
KATHIE ZAHN.

First Baptist Church
The First Baptist Church will observe the Universal Bible Sunday, December 12.
At the Morning Worship Service 11 a. m. the pastor will speak on the sermon topic: "The Bible and the End Time" or what the Bible says about the end of this age.
The Evening Gospel Service begins at 7:30 p. m. at which time the pastor will speak on the topic: "Why I will not surrender my faith in the Bible as the inspired word of God."

Still looking fit after 33 years, Old Betsy is shown for one of the last times with Albany firemen aboard. By official decree, the faithful fire truck is being put up for sale to the highest bidder. Fireman Wesley Marquart is at the wheel and Captain John Vercelli is beside him. —Gazette photo

Redpath Head**

Fiftythree members of the Starlette Club of Thousand Oaks O.E.S. as well as the matron, Wanda Sauters met recently at the home of Dorothy Braun for a Christmas party. She was assisted by Frances Lewis, Rae Berteaux and Jennie McCullough.
Prizes for the evening's games were won by Artha Miller, Barbara Stratford and Alice Andrews.
The members elected Gertrude Redpath, president; Clara Jones, vice-president; Helen Smith, secre-

tary; Evelyn Smith, treasurer, for the coming year.
The new members initiated by Bebe Douglas were Mary Bellman, Loretta Blumgren, Alice Duggan, Dorothy Raines, Bea Mills, Martha Howe, Barbara Stratford and Jennie McCullough.
The welfare committee in charge of Myrtle Rosenlof reported that a needy family will be sponsored by the club.
The January meeting will be held at the home of Loretta Blumgren, 1518 Grove St., with Bebe Douglas, Dorothy Wallace and Lois Stanley as co-hostesses.

**MEAT
CUT
Quiz**

Q. What is the name of this cut of meat?
A. This is a butt half of smoked ham.
Q. Where does the cut come from and how is it identified?
A. The butt half of ham is the upper or round half of ham, as contrasted to the lower or pointed shank half of ham. The cut surface reveals two bones—a long bone (the aitch bone) and the other the round or leg bone. The butt half ham contains a good portion of the center cut of ham.
Q. How should this cut be prepared?
A. The butt half of ham should be roasted as should any other tender cut of meat. Place the roast, fat-side up, on a rack in an open shallow roasting pan and roast until tender in a 300° F. oven, allowing about 20 minutes per pound. The butt half of ham may also be cooked in liquid (water or broth) and cook covered at a simmering temperature, allowing 30 minutes per pound.

**Registration Cards For
1949 Renewals To Be
Mailed Wednesday**

The Department of Motor Vehicles has announced that mailing of potential registration cards for the 1949 renewal period will begin Dec. 15.
More than two million of these documents, which will provide motorists with almost immediate service during the Jan. 3 through Feb. 4 renewal period, already have been prepared.

Motor Vehicles Director A. H. Henderson warned that they should be preserved carefully until time for presentation with the fee payment, which in most cases will be lower than that for 1948.

Two types of potentials, described in the Vehicle Code as a document prepared toward the close of one year for validation and use as a registration card during the ensuing year, have been prepared. One type, which is in preponderance, was issued on the Department's tabulating machines and is made up in duplicate. The other type was manually typed and stapled to the 1948 registration card.

Renewal procedure in both instances will be virtually the same. The applicant will present both copies of the machine-prepared potential or the potential stapled to the 1948 registration card, depending on which he receives. Both bear correct fees for 1949, making it possible for him to go directly to a cashier, pay his fees and receive in return his 1949 tabs and a validated copy of the potential.

The validated copy constitutes his 1949 registration card. No other document will be mailed to him later as was the case in past years.

Mail renewals are acceptable but cannot be accomplished as rapidly as the over-the-counter type.

A good character is, in all cases, the fruit of personal exertion.

**Jr. College Proposal
Endorsed By School
Superintendents**

Dr. Paul C. Bryan, superintendent of Albany schools, was one of 25 superintendents of school districts in Alameda County who endorsed the junior college proposal scheduled to go before the voters Tuesday, Dec. 14, according to Vaughn D. Seidel, County Superintendent of Schools.

Full-hearted support by superintendents is supplemented by endorsements from P.T.A. groups, labor and many leaders of the community, Superintendent Seidel declared.

"In an official action the superintendents issued the following statement: 'Alameda County is the only major, metropolitan area in the State of California where children are being cheated out of a junior college education, and school superintendents in this area are convinced that parents of children here will vote to make possible local junior college facilities.'

"The familiar bugaboo that Alameda County cannot afford junior college facilities is nonsense, in view of the fact that every other populated area already has established such facilities."

Dr. Thomas L. Nelson, Superintendent of Schools, Berkeley, already has gone on record favoring a junior college in Berkeley while O. B. Paulsen, District Superintendent, Hayward Union High School, is on record as now being opposed.

Although it is not a life of which many motorists are guilty, there is such a thing as overloading the economy of a lean carburetor mixture, points out the N.A.C. Beyond a certain point it is bound to result in a loss of power.

NEW 1949 STUDEBAKER TRUCKS**

- Most easily maneuvered trucks that ever wheeled a load.
- No wheel fight when making turn-arounds or parking. The extra leverage you want—and plenty of it—thanks to Studebaker's unique variable ratio steering.
- Low cab floor saves a lot of tough climbing.
- New sure-footedness in bad weather—the steps are enclosed inside the doors.
- Automatic "hold-open" door stops.
- A new kind of "lift-the-hood" accessibility. Engine and ignition—and instrument panel wiring—are within easy arm's reach.

New one-and-one-half ton Studebaker truck—available in four wheelbases for 9 foot, 12 foot, 14 or 15 foot and 17 or 18 foot bodies. Shown above in 155 inch wheelbase with 12 foot platform. There's a new 2-ton model also in the same four wheelbases.

Streamlined style and wide-range vision distinguish all the new 1949 Studebaker trucks. Pictured here—the one-and-one-half-ton 155 inch wheelbase chassis with 12 foot closed van. Half-ton, three-quarter ton and one-ton models are also available.

**Count the Many Blessings
where electricity helps
make holidays happier**

IN THESE DAYS OF CHRISTMAS SEASON, when each room in the house has been slicked up for company, your ever-willing and capable electric servants are kept busy. Here in California, electricity lends real cheer during the holiday season, especially for gay and festive lighting in home and garden. Light for color and sparkle. Light to complement the beauty of table settings. In California we truly have a Christmas of Light instead of a cold White Christmas.

Add happiness to your Christmas at home by giving Electrical Gifts. Choose a comforting electric blanket or sun lamp or a radio or television set or some ever-useful lamps or table appliances. Electrical Gifts are always ever-welcome.

CHEVROLET

ADVANCE-DESIGN HEAVY-DUTY TRUCKS

Only Chevrolet Heavy-Duty Trucks offer all these extra-value features!

- Quicker, easier and quieter in operation, Chevrolet's new 4-SPEED SYNCHRO-MESH TRANSMISSION in one-ton and heavier duty models enables the driver to maintain speed and momentum on grades.
- Another Chevrolet innovation, the new SPINED REAR AXLE HUB CONNECTION insures added strength and greater durability in heavy hauling.
- Chevrolet's famous CAB THAT "BREATHES" brings you all-weather comfort! Outside air is drawn in and used air is forced out! Heated in cold weather.
- The power-packed Chevrolet LOAD-MASTER VALVE-IN-HEAD ENGINE, world-famous for economy, is now even more durable and efficient in operation.

Plus • The Flexi-Mounted Cab • Unweld, all-steel cab construction • All-round visibility with rear-corner windows • New, heavier springs • Full-floating Hypoid rear axles in 3/4-ton and heavier duty models • Hydrovac power brakes on 2-ton models • Ball-bearing steering • Wide base wheels • Standard cab-to-axle dimensions • Multiple color options

*Heating and ventilating system and rear corner windows with deluxe equipment optional at extra cost.

There's a mighty big difference in heavy-duty trucks and you'll know it the moment you hit the highway in one of Chevrolet's new heavy-weight haulers. For there's a rock-solid quality, an ease of handling and pull-away power in these Advance-Design trucks. But discover the facts yourself. Compare values! Then—compare prices! You'll find that only Chevrolet trucks have 3-WAY THRIFT—low cost of operation, low cost of upkeep and the lowest list prices in the entire truck field.
